ImagiNEXT Selection Committee Application Deadline Approaching

Applications for Marion's ImagiNEXT Selection Committee will remain open through November 4. This volunteer group will consist of 18 – 21 people who care about Marion and want to be a part of the process of narrowing the community's ideas down to the final 3-5 Ideas.

The goal is to appoint a diverse cross section of the Marion community to select ideas that serve all community members. The group will meet several times between January and February to develop criteria on which to base the selection of ideas. Applications are available at MarionImagiNEXT.org/SelectionCommittee.

ImagiNEXT kicked off October 4, 2017 to engage the greater Marion area in an open, all-inclusive conversation to develop great ideas that reinforce the fact that Marion, Iowa is the best place to raise a family and grow a business.

Community Idea Generation Continues

For the next two months, community members have the opportunity to form groups and brainstorm ideas they think could make Marion an even better place to live, work and play.

The public is encouraged to get involved and conduct brainstorming sessions on what they want to see next for Marion. A gathering may be formal or informal including clubs, churches, neighborhood or coffee groups. More information about conducting a brainstorming session and a printable toolkit can be found at MarionImagiNEXT.org. All ideas can be submitted through the website.

Thank you to Marion Chamber of Commerce, Farmers State Bank, KCRG TV9, and Blue Sky Productions for sponsoring ImagiNEXT, with support from Iowa BIG and the City of Marion.

###

The mission of the Marion Chamber of Commerce is to be a leading advocate for the business community, creating an attractive environment where business will flourish and citizens achieve the highest quality of life.
